Intro to Photography Series by Gary Mortensen (1/4) - 68 N 1st E
- 10:30am - 3:30pm

Join Gary in his series of workshops, Introduction to Photography. This is a four module workshop. Take one or take them all. Please read the description below to get the appropriate dates for the workshops you wish to take.

- Please bring your camera.
- You must sign up prior to workshop.
- Space is limited so don't delay.

Module 1: The Camera

Saturday February 11th 10:30-3:30 \$0 fee

The origin of the word photography is from ancient Greek terms of "photos" meaning light, and graph meaning drawing or writing. Therefore, the literal meaning of the term photography is drawing or writing with light. The objective of this tutorial is to learn the basic controls of the camera, and what each control can do to make your picture, uniquely and distinctly yours.
